

Jackson Lake State Park

Fall Trip 2019: August 20-22

(Advisements of Rae and Kendall)

This year, the advisements of Rae and Kendall will be travelling to Jackson Lake State Park, a little over an hour northeast of Denver, for our advisement community-building overnight trip!

The purpose of this trip is to strengthen the DMHS community and build students' adaptability, independence, collaboration, and communication. We will be staying in tents at Dunes Group Campground right at the lake. Boys' and girls' tent areas will be separated.

We plan to leave around 10:00am. on Tuesday, August 20 and return by the end of the school day on Thursday, August 22 (in time for students who ride the bus). It is a ninety-minute drive and we will be traveling in 12-passenger vans, driven by DMHS guides. We will be cooking our own meals at our campsite. Activities will include hiking in the state park, swimming and boating, and taking part in activities researched and designed by students.

DMHS Trip Policy: Taking extended day trips is a core part of our Montessori adolescent program. It is during these trips that our students learn problem solving, adaptability, key social skills and independence. However, in order to insure the safety of all our students during an overnight trip, there are certain ground rules that must be followed in order participate or remain on a trip. Students while on trip are still held to the same behavior standards as outlined in the DMHS Family and Student Handbook. If a student's behavior rises to the level that it is no longer emotionally or physically safe for that student to be on trip, then the student will be removed from the trip and sent home.
