

Sangree M. Froelicher Hut Trip

Katya's Advisement Fall 2018

Hello DMHS families!

We are planning a three-day trip to the 10th Mountain Division Hut, Sangree M. Froelicher, near Leadville, CO.

The purpose of this trip is to strengthen the DMHS community and build students' adaptability, independence, collaboration, and communication. Students will be sleeping on the top floor of the hut, where mattresses are provided. There is full kitchen with gas stoves and solar electricity for lights only.

We are leaving in the morning on Wednesday, August 15th and returning by the end of the school day on Friday, August 17th (in time for students who ride the bus). It is a 90-minute drive and we will be traveling in 11-passenger vans. Students will be cooking our meals, serving each other, and cleaning up afterwards.

Activities will include hiking to the hut, exploring the area, playing games, and building community.

DMHS Trip Policy: Taking extended day trips is a core part of our Montessori adolescent program. It is during these trips that our students learn problem solving, adaptability, key social skills and independence. However, in order to insure the safety of all our students during an overnight trip, there are certain ground rules that must be followed in order participate or remain on a trip. Students while on trip are still held to the same behavior standards as outlined in the DMHS Family and Student Handbook. If a student's behavior rises to the level that it is no longer emotionally or physically safe for that student to be on trip, then the student will be removed from the trip and sent home.
