Fall Trip 2017

Karin, Creighton, Lauren

Hello DMHS families! We are planning a fall advisement trip to the Colorado Springs area, about two hours south of Denver. We'll camp near Manitou Lake and take in some of the area's wonderful attractions, from hiking and camping to the Cave of the Winds and summiting the magnificent Pikes Peak.

The purpose of this trip is to strengthen the DMHS community and build students' adaptability, independence, collaboration, and communication. We will be staying in tents at a large campsite at the Pike Community Group Campground. Boys' and girls' tent areas will be separated.

We are leaving at 9:30 a.m. on Tuesday, August 22nd and returning by the end of the school day on Thursday, August 24th (in time for students who ride the bus). It is a two hour drive and we will be traveling in 12-passenger vans. We will be cooking our own meals at our campsite. Activities may include hiking around the reservoir, touring Cave of the Winds and the ropes course on site, taking the Pikes Peak Cog Rail to the top

of the mountain, and taking part in activities researched and designed by students.

**DMHS Trip Policy:** Taking extended day trips is a core part of our Montessori adolescent program. It is during these trips that our students learn problem solving, adaptability, key social skills and independence. However, in order to insure the safety of all our students during an overnight trip, there are certain ground rules that must be followed in order participate or remain on a trip. Students while on trip are still held to the same behavior standards as outlined in the DMHS Family and Student Handbook. If a student's behavior rises to the level that it is no longer emotionally or physically safe for that student to be on trip, then the student will be removed from the trip and sent home.
